

# HOLIDAY RECYCLING GUIDE

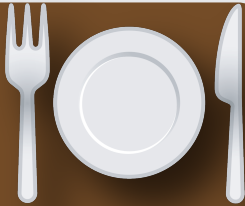

Recycle **CLEAN** aluminum foil roasting pans and pie tins.

Compost Holiday meal food scraps in your backyard composter or bring to a drop-off location.

Avoid single use plates, napkins and cutlery.

Avoid single use plastic dreidels.

Cellophane, ribbons & bows **CANNOT** be recycled. Please place these items in your regular trash.

Use re-usable stemware and cups over single use plastic ones.

Use digital invitations instead of paper.

Real Christmas trees & wreaths **CAN** be composted. Remove decorations, tinsel, lights and metal wire ties, etc.

Use decorations that say "Happy New Year" without a specific year so you can reuse again.

Wrapping paper & Christmas cards containing glitter, tinsel or metallic coatings **CANNOT** be placed in the recycling bin. Plain wrapping paper & Holiday cards **CAN** be recycled.

MAKE A RESOLUTION TO

**RECYCLE** MORE.  
**WASTE** LESS.

Boxes & grey board **CAN** be recycled but tissue paper **CANNOT**.
