

NEWSPAPER BASKET

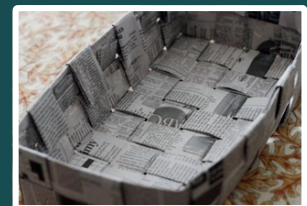

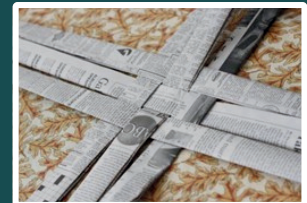

MATERIALS NEEDED

NEWSPAPER
SCISSORS
TAPE
RIBBON
TACKY GLUE

STEPS

- 1 FIRST, CUT A TWO-PAGE NEWSPAPER SPREAD IN HALF, SO IT ONLY LOOKS LIKE A ONE-PAGE SPREAD.**
- 2 FOLD THE NEWSPAPER ACROSS HORIZONTALLY WITH A ONE-INCH WIDTH, SO THE NEWSPAPER IS AS LONG AS IT CAN BE.**
- 3 ONCE YOU HAVE ENOUGH STRIPS, YOU CAN START WEAVING! WEAVE FROM THE CENTER OUTWARDS, MAKING IT AS BIG AS YOU WANT IT TO BE.**
- 4 WHEN THE BOTTOM OF YOUR BASKET IS LARGE ENOUGH, FOLD WHAT'S LEFT OF YOUR STRIPS UP AND START WEAVING THE SIDES, USING TAPE AS YOU GO.**
- 5 WHEN THE SIDES ARE AS TALL AS YOU WANT THEM TO BE, FOLD THE STRIPS LEFT STANDING OVER THE TOP AND TAPE THEM TO THE INSIDE OF THE BASKET. AND YOU ARE DONE.**
